As we bring the month of August to a close, we reflect back on a great month of good weather and times. The Golf Tournament went well, the bands brought in a lot of patrons, and the hall rentals were and are still running strong.

The bar is settling in with the new Manager, and the operation is going well. They will be trying a few new applications to generate a little more revenue that we hope will work.

I've been pulling my hair out all this year trying to get qualified contractors to give us a bid for the seawall. One quoted the wrong materials and has not gotten back to us. The other contractors have not even replied except for one who has given us a quote on materials and is waiting on getting a quote for them machinery, and we're hoping it will not be too much. Our wall fund is growing thanks to all our ongoing little and big fund raisers.

A heads up, National Headquarters is instituting their new Bylaw dues renewal, new membership, and expired membership to Sept. 1st starting this year. This ought to cause one big mess across the country. So, by next year all dues paying members will have the same renewal date, AAAH the joy of being a Life member.

The key to success for the detachment, is all of you.

Marines are leading the charge against the Islamic State group in Libya

— and it's not the first time they've brought the fight to the enemy in that country.

The Marine Corps' ability to sail anywhere in the world and bring a world of hurt to the enemy has made it the ideal service to respond to crises in Libya since Thomas Jefferson was president.

Marine Members

Monthly Meeting...Monday September 19th at 1900, Lt Powers Hall.

“I’m The Guy”

I’m the guy who was asked to join your organization,

I’m the guy who paid his dues to you,

I’m the guy who came to your meetings and no one paid any attention to,

I’m the guy who tried several times to be a friend, but they all had their own buddies to talk to and sit next to,

I’m the guy who came several times., but no one paid any attention to me, I’m the

guy who was left out when I volunteered to help with fund raising projects and membership recruitments,

I'm the guy who missed a few meetings because I was sick, but at the next meeting no one asked where I had been. I guess it didn't matter very much to others whether I was there or not,

I'm the guy who decided to stay home and watch TV one meeting night. The following meeting I attended, but no one asked where I had been,

You might say I'm a good guy. A food family man who holds a responsible job, loves his country and his community,

You know who else I am? THE GUY WHO NEVER CAME BACK!!!!!!!

It amused me to think that they spend so much time looking for NEW members when I was there all the time,

All they needed to do was to make me feel needed, wanted and welcome.
